

AGLOW 2025 VIRTUAL GLOBAL CONFERENCE

SEPTEMBER 19-20

DAWN *to* DESTINY

A Global Awakening. Advancing the Kingdom.

Aglow International invites you to gather with the nations for Dawn to Destiny—a global virtual conference declaring that the time for action is now. **We are not merely stepping into the light; we are moving in divine purpose.** From every continent, the voices of God's people are rising. The vision is clear. The moment is appointed. The Kingdom is advancing.

"The path of the righteous is like the morning sun, shining ever brighter till the full light of day."

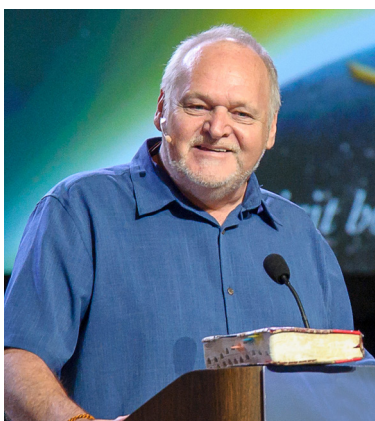

– Proverbs 4:18
